A calm turquoise sea on a bright morning, sunlight reflecting on the surface, creating sparkling patterns of light.

The screenshot shows the MidJourney AI interface. At the top, there is a text input field containing the prompt: "A calm turquoise sea on a bright morning, sunlight reflecting on the surface, creating sparkling patterns of light." Below the prompt are buttons for "Add modifiers" and "Negative". To the right of the text input are "My prompts" and a settings icon. The main area is titled "AI Models" and displays a grid of nine models. The first model, "DaVinci2", has a checkmark indicating it was selected. Other models shown include "Realismo", "Artflow", "Deep Style", "Photonic", "Ideogram", "FluX", and "AlVision". Below the models are buttons for "Start Image", "Effect - 60%", "Resolution", and "Enhance". The generated image preview shows a close-up of calm, turquoise ocean water with sunlight reflecting off the surface, creating bright, sparkling highlights.
